## Foster Homes Needed

Please consider opening your heart and your home to an animal in need. CCHS is always looking for new foster homes to provide either long-term or temporary care for dogs and cats rescued from the local shelter. Fostering gets animals out of the shelter and into safe, loving homes as they await adoption. The more foster homes we have, the more animals we can save. Being a foster family is a major commitment but it comes with major rewards. If you would like to join the CCHS foster program, or if you want to learn more about what is involved in fostering, contact David Padgett at [dpadg71896@aol.com](mailto:dpadg71896@aol.com) or leave a message on the CCHS voicemail at 770-830-2763.

Pets enrich our lives in so many ways. What better way to repay them than with fresh, healthy, nutritious food that's been lovingly prepared by you?

Whether it be for dietary needs, food-safety concerns, or the pure joy of it, making your own pet food and treats allows you to have control over what your pet eats. You'll be sure that what you give your pet is made from quality ingredients, free of fillers, byproducts, and unhealthy, hard-to-pronounce additives and preservatives often found in commercial foods. Making your own pet food and treats is easy, fun, and more affordable than buying the store-bought stuff. Better yet, you can tailor the recipes, adjusting the ingredients to fit your pet's particular tastes and health needs.

Happy Pets Cookbook is a collection of favorite recipes submitted by friends of Carroll County Humane Society. The recipes in this cookbook have been reviewed by a veterinarian to ensure that all of the ingredients are pet safe. Also included in this cookbook is a list of foods that are not safe for pets.

## **Thank You!**

### **BECKY BYRD OF SILPADA JEWELRY**

We are so lucky to have friends like Becky Byrd in our community who donate their time and raise money for CCHS because they care about animals. Becky held a Silpada Jewelry Party on November 17 and donated all the proceeds - \$262.80 - to the CCHS Empty Pet Bowls program. We were able to buy 25 bags of pet food to give to pet owners who are temporarily out of funds to feed their pets.

### **MELISSA HULLENDER'S UWG BIOLOGY 1107 CLASS**

Melissa Hullender's Biology 1107 class at UWG held a Halloween pet food collection for the CCHS Empty Pet Bowls program. 123 students participated! 1166 lbs of dog food and 59 lbs. of cat food was collected.

CCHS sincerely thanks these generous, caring students. The Empty Pet Bowls program benefits unemployed pet owners or those on federal or state financial aid programs by providing free pet food on a monthly basis so they will be able to keep their pets until their economic situation improves.

## ISABEL KING

For her 10th birthday party, Isabel did not ask for gifts for herself. She asked her friends and relatives to bring dog and cat food! Isabel wanted to help Carroll County's animals in some way. She heard about the CCHS Empty Pet Bowl program, which donates free pet food to pet owners who find themselves short of money at the end of the month. On October 16, Isabel and her parents delivered 340 pounds of pet food to the Empty Pet Bowl storage area at the Carroll County Animal Shelter - donations from her friends and relatives in honor of Isabel's birthday. Just think how many dogs and cats will be able to go to sleep with their tummies full because of Isabel's kindness.
