West Georgia Spay/Neuter Clinic ***OPEN HOUSE***

**SATURDAY, OCTOBER 22
10:00AM-1:00PM**

West Georgia Spay Neuter Clinic is located at
525 E. Montgomery ST,
Villa Rica, GA 30180

West Georgia Spay/Neuter Clinic has performed about 4,500 surgeries per year since opening in March 2007. And now we're celebrating **20,000 surgeries!**

To celebrate this huge milestone, West Georgia Spay/Neuter Clinic invites you to an open house this Saturday, October 22, starting at 10:00 a.m. There will be **RAFFLES** and **GIVEAWAYS**. Adoptable **ANIMALS** from Carroll County Animal Shelter will also be there. Come by to look for your next pet or just to visit with them.

We're looking forward to spending this time with the WGSN clients and supporters, the people who have made all this possible. We hope to see you there!

CCHS's FUN DOG SHOW Was So Much FUN!

Thanks to everyone who came out to support our annual Fun Dog Show on October 8. It was a fabulous day!

This year we had 29 registered participants, and gave away around 15 raffle prizes. We had 25 dedicated volunteers who worked to make the show a success. A special thanks goes to Keri Ashworth who did an outstanding job putting the show together and coordinating the day's events. Without the help of the volunteers, these wonderful dogs wouldn't have had a chance to strut their stuff in front of an audience! And to add to the success, two dogs from the Carroll County Animal Shelter went home with their new FURever families!

The proceeds from this year's Fun Dog Show are going to Fix Fido, a program of WGSN that provides financial assistance to Carroll County residents who need help paying for spaying and neutering their dogs.

CCHS Donates *KIND News* Publication to City and County Schools

For the fifth consecutive year, CCHS will be providing a subscription to *KIND News*, an award-winning publication published five times a year by the Humane Society of the United States, for every student in the first and third grades in the city and county schools as a supplement to their life sciences curriculum.

This year the students and teachers may not recognize it as the same publication because *KIND News* will be in an 8-page magazine format instead of the newspaper format of previous years. But the contents will remain basically the same--feature articles, activities, puzzles, and celebrity interviews that **teach children the importance of treating people, animals, and the environment with respect while emphasizing the basic values of fairness, compassion, and responsibility.**

CCHS is providing this classroom resource as a gift to these students in part through the generous financial support of its members and by the **Alice H. Richards Fund**, as well.
