Please consider a donation or pledge (a nickel or dime even) in support of Bill's ride to raise funds to help people to spay or neuter their animals if they cannot afford it. This is a life-saving project as spay/neuter is the only humane way to stop the killing of animals at area shelters by preventing them in the first place. You can also print off a Pledge Form from the C2CR2C website if you'd like to show Bill Craig that you are in support of his ride.

We hope to see you at Pet Supplies Plus.

Know of any Carroll citizens who needs help with altering their companion animals?

The clinic has some funds to help citizens of Carroll County to alter their animals for free (they just pay for shots) if they qualify for assistance. Please contact the clinic for details.

The West Georgia Spay Neuter Clinic is striving to reduce the number of unwanted pets by offering low cost spay and neuter surgeries. Also offered are low cost vaccinations. The clinic can always use volunteers and donations from their Wish List. Please visit the clinic website for more information!

FEATURE FOSTER PET

On May 13, as I was driving down the road, a little kitten appeared on the side of the road. As I passed her and looked in the rear mirror, I saw her running down the road after my car. I stopped and got out - and she stopped running. I walked up to her, picked her up and brought her

home. The next day, when I took her to get her fvrpc shot and her worming medication, I found out that she was only about 6 weeks old and weighed about a pound and a half. She's been a joy while we've waited for the weeks to pass before she was ready for adoption. She's spunky and funny and can be very loving - after she's tired herself out running and exploring, that is. She's living with multiple cats and a big dog and does fine with both. She is now about 4 months old and ready for a new home. Her adoption fee is \$100. She is spayed, vaccinated and microchipped. Please contact her foster mom at nancyf@carrollcountyhumane.org if you have any questions or are interested in filling out a pre-adoption application.
